# Faithful follower

MARCH 2015

## Dear People of Faith,

As I settle into co-pastoring with Brian, I have been working with the Pastoral Relations Committee to establish goals for my first year of work. As you know, my work will primarily focus on the goal of church growth. Having developed these goals, we wanted to share them with you so you know what I am doing.

### 1. Set parameters for work

-Work with church leaders to develop official job description that ensures clear focus on Church Growth.

-Establish Church Growth Committee and Small Group Steering Committee by March 1.

### 2. Ensure that twelve new members join Faith UCC in 2015

-Learn local, community newspapers for advertizing as well as article submission (devotionals, essays, etc.) Submit four articles by April 1, June 1, Oct 1, and Dec 31.

-Establish and market to wider community, four small

groups; two this winter, two in Fall 2015.

-Continue to develop and consistently utilize current method of follow-up to first time visitors by April.

-Preach about the challenges and blessings of church growth by June 1.

-Attend UCC Florida Conference or other training on development of spiritual growth groups by end of calendar year.

-Read two new books on small group ministries by Sept 1.

### 3. Foster pastoral rapport with current members

-Visit with each household individually, one per week until accomplished.

While these goals do not represent the sum total of what I will be doing, they at least give you an idea of the direction of my work. I am excited to be moving ahead with you in mutual ministry.

Rev. Judy Bagley-Bonner

## Easter Lilies

During the month of March, you will once again have an opportunity to purchase Easter Lilies to beautify the Sanctuary in memory of or in honor of a loved one and/or friend. The cost for the lilies will be \$8.00 each, and you may take your purchased lily home with you after Easter service or have it delivered to a shut-in. The deadline to order will be Sunday March 29 – Look for the order form in your Sunday bulletin or see Richard for more information.

## Growing Pains

*Success took me to her bosom  
like a maternal boa constrictor*

- Noel Coward

It is so nice to see the pews full and more children in Sunday School. We have been able to fulfill some of our Dreams and Visions. We are growing! We are finding success!! And now the problems begin - Wait, what? As playwright Noel Coward noted above, success has its own issues. Though God has brought us through difficult times of financial vulnerability and too few people, we cannot rest on our success, because we now face a new set of good, but still challenging issues.

Church growth gurus talk about congregations moving from "family" churches to "town" churches and I think we are in that transition. In the past few years, Faith UCC has been a family church. Pretty much everyone knows everyone else and everyone has their niche. One does the kitchen, another does the ushering, this person makes decisions on the music. In a "family" church, just like in my family, everyone is on the same page and so anyone's decision at any one time is ok. Everyone knows and trusts one another. A way to envision this is to think about the times uncles or aunts would correct us at family gatherings. They would be able to talk to us with the same authority as parents because we were a family.

In contrast, someone from the other side of town would not be able to say anything to us, because they are from a different family and have different understandings and values. Because of this, towns have newspapers and town meetings to increase communication; rules and organized committees to make sure everyone's needs are addressed and concerns heard; and people to direct traffic or mediate differences when issues arise. So one of our tasks in 2015 is to

grow into a "town." We will focus on finishing our reorganization process and make sure we have the committees and communication processes in place to make good decisions and move forward together. This means we will have to be patient with one another and adjust how we implement ideas or changes.

Sometimes addressing issues and making changes will take longer, but a careful process of decision making with good communication will ensure the best outcome. And it will remind us that we are not about efficiency in decision making, but about love, - making sure everything we do is done with the same love and patience that God shows us. And so we asking for your patience as we continue this journey together. The two of us are still figuring out how we are going to work together. And we are trying to remember that God has invited us to a grand adventure where sometimes things will succeed and sometimes they will fail miserably, but we will never be bored. I leave you with another quote, which may be a good guide for 2015 as we continue to try new things and grow together as a community of faith:

"I don't think we have failed, we have just found another way that doesn't work."

- Andy Ellson on ending another  
Around the world balloon flight

Blessings,

*Pastor Brian  
& Judy*

## SUNDAY VOLUNTEER SERVERS

If you are serving for the first time and have questions regarding your duties, please look on the bulletin board. Detailed duties for each assignment are printed for you. Please take a copy if you wish. Thank you for volunteering.

## WHAT'S IN A NAME?

Well, if it is the newly named FAITH CARE TEAM, you will find some of the same faces and ALL OF THE SERVICES OFFERED TO THE FAITH CHURCH FAMILY by the team formerly called the Spiritual Life Team. For the next year Janis Groth, Peg O'Sullivan, Cincy Purvis, Donna Rusch, Sheryl Smith and M.R. Lembright-- with the terrific assistance of our Pastors-- will be doing all we can to offer support or assistance wherever the need arises. We have an additional crew of Faith members willing to provide transportation to doctors. We are calling ourselves ADVOCATES because we are dedicated to "looking out" for each of you. For more information, talk to any of us or call M.R. at 758-5716.

M. R. Lembright,

# From Your Moderator

Thank you for attending the Annual Meeting. We made some decisions on some very important issues and answered questions.

I would also like to thank all of the Council Members for agreeing to serve for the 2015 year. Please note that there are two positions that are still open, Fellowship & Events and Christian Education. If you would like to help, please call me at 941-747-2734.

We are also very excited about having Brian and Judy lead us as our Co-Pastors. If you have any needs, please contact the church office, the Pastoral Relations Committee, or a member of the Council, and they will be happy to help you.

As your Moderator, I will be at home during the day, except during my daily afternoon doctor appointments. If you need to get in touch with me, you can email me at [marbur@verizon.net](mailto:marbur@verizon.net). Please also call and leave a phone message after emailing. If I do not receive your email, I will call you back.

Please remember to check the bulletin board for various activities and sign up if you wish to attend or help in any way.

Thank you for all you do for Faith Church.

*Yours in Christian Service.

## Pastoral Relations Committee (PRC)

At our Annual Meeting, we voted to hire Judy Bagley Bonner to join Brian in a co-pastoring relationship, sharing the job of our full-time pastor. We can rejoice in this and be glad Faith UCC has the opportunity to be a part of such an experienced shared-ministry team. The Pastoral Relations Committee (PRC) will now work with Pastor Judy and Pastor Brian. We want to remind members that as we begin this new endeavor, we may have some "bugs" to work out. That is to be expected. We want members to be assured that the PRC wants to be an active part in maintaining good communication between us all, as we go forth in this new exciting adventure.

Your PRC is welcoming of any member who seeks to comment or ask questions. We want you to feel that you can ask us anything!

For example: *In our church, who sets*

*pastoral priorities?* (answer: our Church Council) These are some more of the kinds of things people bring to their Pastoral Relations Committees:

1. Questions about changes in worship services
2. Need for a specific program
3. Comments about progress and implementation of strategic planning (such as our *Dreams and Visions* initiative)

Please think of us when you have questions or concerns that relate to how our church and pastors function together.

God has a mission for you, and if you have a heart for children, then it could be to join the Children's Ministry Team.

It's so easy to sign up for only a few Sundays out of the year.

Contact **Babs Brownell** if you would like more information about this purposeful and rewarding ministry: **747-9643**

### Prayer and Meditation Service

Thursdays from 6:00 pm - 6:45 pm

A small group is gathering every Thursday for a time of focused prayer and meditation. We are using silent meditation, centering prayer, and walking meditation as we seek to create an oasis of peace in the middle of our busy weeks. The sharing we do at the end is so healing and uplifting. Come and try it out.

### Miss Holding Babies?

The Nursery team is looking for someone to enter the rotation once a month. Please talk to Babs Brownell if you can help with this important ministry that helps make sure young families will feel welcome and supported here!

### Faith Fellowship Events Sponsors Needed!

We are very much in need of a few Faithful volunteers. Although Pastor Brian hosted the welcome luncheon in February, he has (not surprisingly) declined to host all the events we have coming up this year.

Since we have no Fellowship and Events chairperson this year, we need folks to step up and take responsibility for individual events. If not, fellowship events just might not be happening at Faith Church this year.

Pete and Janis Groth have offered to print sign-up sheets and publicize regularly scheduled events. We need people to check their calendars and sponsor a particular event on a one-time basis, enlisting the help of others, as needed. If not, Pete will track you down or call you up about volunteering to take responsibility for an event of your choice. Please consider giving of your time and talent as you look at the list of Fellowship Event opportunities:

- **Monthly, second Sunday, after-service lunch/potluck** (your choice: potluck, lunch, brunch, etc.)
- **Monthly Dinner and Dessert event, third or fourth Friday night** (restaurant meal, home dessert)
- **Hospitality, 4<sup>th</sup> Sunday of the month after-service** (refreshments of your Choice)

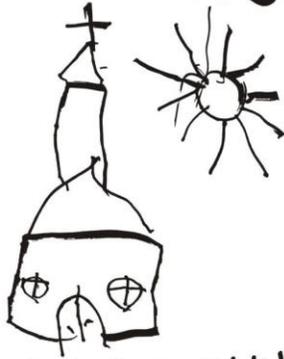

**Please contact Janis about the details of these events or to schedule one (941) 779-6988.**

### American Cancer Society Relay for Life

On April 10-11, I will captain an American Cancer Society Relay for Life team at an event in Parrish, FL. As a recent cancer survivor, I am enthusiastic about my part in supporting scientific research and fellow cancer patients, survivors, and caregivers. Many members of our Faith family have been touched by cancer. Please join my team by participating in this walk with me or by making a monetary donation. And as always, prayers and good thoughts are appreciated. Please see Sheryl Overheid-Smith for more details.
